Beloved Brothers and Sisters in the Lord,

Greetings to you in Christ's precious name.

To date, the death toll in Japan, due to last week's devastating earthquake and tsunami, has escalated to 8,000, and it will be more by the time you will read this communique. This morning the top news item is a raised radiation contamination level from 4 to 5 (on a scale of 7) at the Fukushima Daiichi nuclear plant. However, there are glimmers of hope for survivors.

Our General Superintendent has issued a call *"for our constituency to send a generous gift for this relief need. Japan by the way is the nation with very few number of Christians. Lets give for a breakthrough in evangelism there."*

Let's heed this call for our suffering neighbor. As one pastor in Cebu said, "what will our answer be when our children and grandchildren ask us later on what we did when Japan was in crisis?"

On Monday, March 21, 2011, our General Council will be sending an amount of half a million pesos to World Assemblies of God Relief Agency (WAGRA) specifically for Japan. That amount will increase as you send in your monetary donations.
